

Travel directions from ARLANDA airport to PHASEIN, Svärdvägen 15, Danderyd -  
travel time approx. 30 min

Go south from Arlanda to Stockholm on road 273. Turn on highway E4 and continue towards Stockholm (approx. 20 min). When arriving into Stockholm keep to the right and turn off the highway at exit E18 Norrtälje/Oslo/Frösunda. On the exit ramp keep to the left - you will be turning left at the first lights and left again on road Enköpingsvägen/ E18 Norrtälje.

Drive on road E18, you will be passing shortly under a large yellow brick building over the road. Keep to the left side (the road will be narrowing and turning sharply to the left) and follow E18.

You are still on highway E18 and driving over a bridge shortly.

You are getting close! Pass the Danderyd Sjukhus Exit and move to the right lane. Turn off the highway at the next exit - Mörby Centrum. At the very beginning of the exit if you look to the left side you can see red brick buildings across the highway. We are located there.

Turn right and follow the sign to Klingsta. You will be driving under the highway and entering the first roundabout shortly followed by a second one. At the second one turn right to Mörby Kontor and follow the road until you arrive to Svärdvägen15. Park the car in front off the building and don't forget to pay the parking ticket.

Congratulations! You have made it!
